- 296. Regarding the work distribution between timekeeper and scorekeeper, the rules indicate which of the following?**
- a) The control of the entry and exit of the substitutes is handled only by the timekeeper
 - b) Generally, only the timekeeper should interrupt the game when this becomes necessary
 - c) The scorekeeper must whistle if he observes that a substitute is entering too early
 - d) If there is no public clock, the timekeeper keeps the teams informed about how much time has been played or how much time remains to play
- 297. What should the distance be between the center line and the start of the benches?**
- a) 1 meter
 - b) 2 meters
 - c) 3 meters
 - d) 3.5 meters
- 298. When is a time-out mandatory?**
- a) When a team official is being given a 2-minute suspension
 - b) When a player is given his third 2-minute suspension
 - c) After repeated unsportsmanlike conduct
 - d) When the referees are required to consult with each other
 - e) After a seriously unsportsmanlike conduct

- 299. A3 takes a shot on the goal of B and hits the goal-post. The ball is rolling back out of the goal area. At the free-throw line, A3 and B4 dive for the ball, without endangering each other. B4 manages to push the ball to B6 who starts a counterattack and scores a goal. Correct decision?**
- a) Warning
 - b) Goal for B
 - c) Free-throw for A or B depending on the circumstances
 - d) Goalkeeper-throw
- 300. A5 is given a 2-minute suspension after 7:00. He protests before the game is restarted and receives an additional 2-minute suspension. Exactly one minute later he runs out on the court and the timekeeper whistles. Because of the additional suspension for entering the court, he is disqualified. Because of this he now insults the referees. Correct decision?**
- a) A with 1 player less from 7:00 to 8:00; 2 players less from 8:00 to 10:00; 1 player less from 10:00 to 11:00
 - b) A with 1 player less from 7:00 to 8:00; 2 players less from 8:00 to 11:00; 1 player less from 11:00 to 12:00
 - c) A with 2 players less from 7:00 to 8:00; 3 players less from 8:00 to 10:00; 2 players less from 10:00 to 11:00
 - d) A with 2 players less from 7:00 to 8:00; 4 players less from 8:00 to 10:00; 2 players less from 10:00 to 11:00
- 301. A5 jumps with the ball from the right corner in over the goal area of B and collides with B11 who is standing about 50 cm inside the line (in the goal line) with his arms up. It is the third time in the game that B11 does this. Correct decision?**
- a) 7-meter-throw for A
 - b) Offensive foul
 - c) 2-minute suspension for B11
 - c) Warning of B11
- 302. When should the timekeeper/scorekeeper inform the referees, if there has been a violation of the substitution area regulations that has not been noticed by the referees?**
- a) Immediately
 - b) At the time of the next interruption
- 303. After a save by goalkeeper A, the ball rolls along the side line in front of the bench for team A. A5 who sits on the bench puts his foot inside the side line and stops the ball, so that A4 can pick it up before it goes out over the side line. Correct decision?**
- a) Free-throw for B
 - b) 2-minute suspension for A5

- c) Disqualification of A5
- d) A teammate of A5 must leave the court
- e) 7-meter throw for B

304. A10 tries to pass the ball to A8 who is at the goal-area line of B. B10 stands in front of A8 and the ball hits his foot. Correct decision?

- a) Free-throw for A
- b) Play on
- c) It depends on who gets the ball

305. The result in the game is 30-30 just 4 seconds before the end. Visiting team A scores 31-30. Home team B wants to take a quick throw-off. B10 stands with one foot behind the center line and the other one in front of it. Without a whistle signal, he throws the ball and it goes into the goal of A. The automatic signal for the end of the game sounds. Correct decision?

- a) Goal for B
- b) Repetition of the throw-off
- c) Wait for the result of the throw
- d) Time-out
- e) The game is over; no goal

306. Team A has the ball at the free-throw line of team B. The coach of B protests so strongly against a referee decision that the referees interrupt the game. Correct decision?

- a) Progressive punishment for coach B
- b) Free-throw for A at the substitution area of B
- c) Free-throw for A at the free-throw line of B

307. Free-throw for A at the free-throw line of B. A7 executes the free-throw and, like his teammates, he is standing correctly outside the free-throw line. The free-throw is taken quickly without a whistle signal, but before the ball has left the hand of A7, both A9 and A12 cross the free-throw line. Correct decision?

- a) Free-throw for B
- b) Correction
- c) Free-throw for A after whistle signal
- d) Free-throw for B; warning of A9 or A12

308. With which of the following throws is it not possible to score an 'own goal'?

- a) Goalkeeper-throw
- b) Free-throw
- c) Throw-in
- d) Throw-off

- 309. A6 is running a counterattack and has a clear chance of scoring when the lights go out in the hall. Which one(s) of the following statements is correct?**
- a) The referees wait for the result of the clear scoring chance
 - b) The referees interrupt the game immediately and give a time-out
 - c) After the lights are functioning again, the game is restarted with a free-throw for team A
 - d) As soon as the lights are functioning again, the game is restarted with a 7-meter throw for team A
- 310. If the 'Technical Delegate' interrupts the game because of a violation by one of the teams, is the game restarted with ball possession for the other team?**
- a) Yes
 - b) No
- 311. The coach for team A has already received one warning and one 2-minute suspension. As his team has only 10 players in the scoresheet, he adds his name as a player in the scoresheet. Soon after entering the court, he protests again against a referee decision. There had not yet been any punishments against the players of team A. Correct decision?**
- a) Warning
 - b) 2-minute suspension
 - c) Disqualification
- 312. A4 blocks a shot from B11. The ball touches the ceiling above the goal area. Immediately after this, the coach of team B puts the 'green card' on the table in front of the timekeeper. Correct decision?**
- a) Team B immediately receives a team time-out
 - b) Team B does not receive a team time-out, because the ball touched the ceiling
 - c) Team B does not receive a team time-out, because team A has possession when the game is restarted
 - d) Team B receives a team time-out, but after the game has been restarted
- 313. Team A has ball possession and requests a team time-out. Because of the noise, the referees do not hear the whistle signal from the timekeeper. Only after about 10 seconds, when team B has ball possession, do the referees hear the whistle. Correct decision?**
- a) Team time-out is given
 - b) The game is restarted with a free-throw for B
 - c) Team time-out is not given
 - d) The game is restarted with a free-throw for A
- 314. The 'responsible team official' for A has already received a warning while sitting on the bench. He now leaves the substitution area and sits**

in the spectator area. From this position he continues to protest against referee decisions. Correct decision?

- a) No action possible
- b) 2-minute suspension
- c) Disqualification
- d) Statement in match report

315. A9 shoots on the goal of B. Goalkeeper B1 saves the shot, and the ball is rolling out towards the playing area where a player from team B is ready to pick up the ball. As the goalkeeper was injured when saving the shot, the referees interrupt the game while the ball is still in the goal area. Correct decision?

- a) Free-throw for A
- b) Goalkeeper-throw for B
- c) Free-throw for B

316. Player B4 is standing in the correct position to execute a throw-in that has been awarded to his team. As he cannot find a teammate to whom he could throw the ball, he bounces the ball one time inside the side line. Correct decision?

- a) Free-throw for team A without restart signal
- b) Throw-in for team A after restart signal
- c) Repetition of the throw-in for team B after restart signal
- d) Free-throw for team B after restart signal

317. Just before the end of the first half, A7 commits an assault against B5 who loses a clear chance of scoring. The automatic signal sounds before the referees have time to whistle. Correct decision?

- a) The first half is over; no further action
- b) Exclusion of A7
- c) Disqualification of A7
- d) 7-meter-throw for B
- e) Free-throw for B

318. The ball is rolling on the floor in the goal area of team A. In this moment, the timekeeper whistles and explains that A5 has made a faulty substitution. Correct decision?

- a) Goalkeeper-throw
- b) 2-minute suspension for A5
- c) Free-throw for B at the free-throw line
- d) Free-throw for B at the substitution area of A

319. Warning against B6. When whistling for the execution of the subsequent free-throw for A, the court referee does not see A11 who is between the goal-area line and the free-throw line. A11 receives the ball and has a

clear scoring chance. The goal-line referee has observed the problem. Correct decision?

- a) Play on
- b) Repeat the free-throw after correction and whistle signal
- c) The goal-line referee decides free-throw against team A
- d) The goal-line referee gives A11 a warning
- e) Time-out

320. A6 has the ball at the free-throw line of the opponents and is brought down through a serious foul by B5. At the same time B8 stands at the goal-area line between his own goal and A6. Correct decision?

- a) Free-throw for A
- b) Disqualification of B5
- c) 2-minute suspension of B5
- d) 7-meter-throw for A

321. A5 fails to catch a pass. He runs after the ball and stops it before it crosses the side line, but he himself cannot avoid crossing the side line afterwards. Correct decision?

- a) Play on
- b) Free-throw for B
- c) Throw-in for B

322. After the whistle for half-time, a free-throw must still be executed. Which players can still be substituted?

- a) All players from both teams
- b) Only players from the defending team
- c) Only players from the throwing team
- d) Only one player from the throwing team

323. Which positions must the players take during the execution of a free-throw after the final whistle?

- a) All teammates of the thrower must be outside the free-throw line of the opponents
- b) All teammates of the thrower must be in their own half of the court
- c) The opponents must be 3 meters away from the thrower or at their own goal-area line
- d) All teammates must be at least 3 meters away from the thrower
- e) All teammates may stay together with the thrower at the free-throw line of the opponents

324. Attacker A7 passes the ball to his teammate A8. At this moment the timekeeper whistles for team time-out for team A. The referees and players do not hear this signal and A8 passes the ball to A10 who has a clear chance of scoring. A10 is illegally stopped by B5. The referees give a 7-meter throw for team A and a 2-minute suspension for B5. Now

the referees understand that the timekeeper had already whistle because of the team time-out request. *Correct decision?*

- a) 7-meter throw for A
- b) 2-minute suspension for B5
- c) Team time-out for A
- d) Goalkeeper-throw for B
- e) Restart signal
- f) Restart with a free-throw for A at the position of A7 at the time of the whistle from the timekeeper

325. Team A receives a free-throw which A9 executes very quickly (without restart signal from the referee) while jumping. The ball goes to A4 who finds himself completely alone in front of the goal of B. *Correct decision?*

- a) Play on
- b) Free-throw against A
- c) Repetition of the free-throw for A after restart signal

326. Team A receives a free-throw which A5 executes very quickly (without restart signal from the referee) while running fast. A5 intends to play the ball to A4, but B3 intercepts the ball and finds himself alone in front of the goal of A. *Correct decision?*

- a) Play on
- b) Repetition of the free-throw after restart signal
- c) Repetition of the free-throw and progressive punishment against B3

327. Defender B4 grabs circle-runner A4 very strongly. The goal-line referee whistles, and at this time he sees clearly a pierced object in the navel of B8. *Correct decision?*

- a) A8 must leave the court and remove or tape over the piercing
- b) Free-throw for B
- c) Free-throw for A
- d) Progressive punishment against B4
